No. 108 JAGUAR '57 TYPE

This sporting model of the new '57 Type Jaguar is equipped with "Automatic" improved fingertip steering, as well as 4-wheel suspension, dashboard, wood-trimmed seats, steering wheel and rubber tyre. Most noteworthy feature is a "hard-top", which can be removed and replaced with a plastic replica of a folded canvas hood. Available in sporting red finish, this "Jag" is what a motorcar is supposed to be.
